

كلية الشرق الأوسط
Middle East College

Breda
University
OF APPLIED SCIENCES

Dear Graduands, Congratulations on your well-deserved success!

Through the years spent here at Middle East College, you have grown to become successful graduands today. You have demonstrated immense commitment towards values and responsibilities and an ability to learn from both successes and failures. Today, as you graduate from MEC and begin a new chapter of your life, I wish that you continue to display all of these qualities in delivering your responsibilities towards yourself, family and the community.

I take this opportunity to commend you on all your accomplishments and wish you the very best for your future.

DR. Saleh Al Shaaibi
Dean

Over 4500 students representing over 24 different nationalities

Middle East College (MEC) is one of the leading higher education institutions in the Sultanate of Oman, located in the Knowledge Oasis Muscat (KOM), cultivating a thriving community of over 4500 ambitious students from the region and globally.

The college is accredited by the Oman Authority for Academic Accreditation and Quality Assurance of Education (OAAAQA), where it has achieved high ratings in Teaching Quality and Research Performance. The college has strong academic partnerships with Coventry University, UK, and the Breda University of Applied Sciences, Netherlands and offers various undergraduate and postgraduate programmes in Engineering, Science and Technology, and Business and Management to help students prepare for a bright future. MEC's contemporary approach to Teaching and Learning, with its continuously evolving curriculum and technology-assisted innovative practices, facilitates the development of cutting-edge domain skills and 21st-century skills that employers seek. At MEC, we go beyond traditional education, igniting a revolution that bridges the gap between academia and the world of work.

Vision

**Enterprising.
Resilient.
Impactful.**

Mission

**Transforming
education for
world of work**

Learner attributes

In its quest to achieve its goals and objectives, the college has curriculum and aligned to the programme and module learning outcomes.

In addition to subject or domain specific skills acquired through each programme, students also get an opportunity to develop generic competencies that lead to holistic development and enhanced employability.

Professional competence

Domain knowledge and research skills

Learner autonomy and learning agility

Digital competence

Leadership and teamwork

Integrity

Effective communication

Intercultural competence

Social responsibility

Entrepreneurial mindset

Department of Management Studies

The Department of Management Studies offers Diploma and Bachelor's programmes in Business and Management. The Business Administration programme aims to develop intellectual awareness and technical competence in Accounting and Finance, Human Resource Management, Marketing, and General Administration. The department also offers a Bachelor's programme in Logistics Management to help students develop Logistics and Supply Chain Management competencies.

The department also collaborates with other academic departments at MEC and offers management modules to their students to support their programmes. The modules offered by the department impart fundamental and specialised knowledge of business, its environment and functions and equip students with the managerial skills required for employment. Apart from the subject knowledge, the department attempts to develop the student's interpersonal skills and problem-solving abilities. The emphasis is on the student's holistic development and understanding of emerging national and international business events and issues.
